Holiday

Lanzarote has beaches of every size and colour and an average year-round temperature of 24°C and is a perfect winter sun choice. On the southern tip, Playa Blanca is a laid-back resort with a lovely marina and sea front promenade. Our resort-style hotel is 300m from the main beach and we can offer 11-night stays here in addition to 1 or 2 weeks.

Hotel

With just over 400 rooms the Princess is almost a resort in its own right. There are 2 outdoor pools (1 heated) and both day and evening activity programmes. Despite its size, this is a low-rise hotel with smart styling and great service. When it comes to relaxing, we're spoiled for choice. There's La Chozza bar in the garden, Coco Loco pool bar and a Piano bar. Papagayo provides evening entertainment for those who prefer to relax in the hotel after dinner rather than go out.

Your room

Rooms, decorated in cool neutrals, are both stylish and comfortable, with a good-sized bathroom, terrace/balcony, satellite TV and hairdryer. Mini-bar and safe at extra cost. Consider upgrading to a pool view room or a Privilege Room with a coffee machine, pillow menu, late check-out option and a pool view plus access to an exclusive lounge.

Where & what

Once a fishing port at the unfashionable end of the island, Playa Blanca is now a sophisticated resort. The 20-minute seafront stroll to the marina is rewarded with a choice of bars and restaurants. If you're a confident diver, the underwater 'museo atlantico' is truly amazing!

Your Host can arrange optional excursions across the island: Timanfaya National Park is within easy reach, while other options include wine tastings and a food-focused tour with tapas lunch.
