Holiday

With excursions included on four days, this is a great introduction to the unspoiled eastern Algarve, plus five-star comfort. There's a guided tour of Faro discovering its baroque buildings and quirky 'chapel of bones'; a full day trip to the Spanish town of Vila Real de Santo Antonia; a fun morning at a cookery school, watching classic Portuguese dishes prepared for lunch; a boat trip around the islands in the lagoon.

Hotel

Only 500m stroll from the market, this smart waterfront hotel with 144 rooms and an elevated pool is in 'new' Olhão with superb estuary views. It features a spa with indoor pool (treatments extra) and gym, chic bars and restaurants, so we eat here on 4 nights each week, choosing local restaurants on other nights (own expense).

Your room

Crisply-styled and contemporary, all rooms have cable TV, free WiFi, and 'all mod cons'. Most bathrooms have both bath and shower. Standard rooms face inland, with Sea View rooms at a supplement.

Where & what

The coastal railway makes visiting Faro easy, and a local ferry network allows access to several islands in the vast estuary for lazy beach days. A great waterfront location, a lovely luxury hotel and rewarding excursion programme makes this a very special holiday. See our website for more details about our 4 excursions and what is included in terms of guided tours and lunches.

If you extend your stay to 9 nights, you have additional time to enjoy the hotel's wonderful pool and relax, on a half board basis. Please note the additional nights are not Hosted.
