Holiday

An ancient country with Greek, Venetian and Ottoman roots: the beautiful Bay of Kotor offers pristine swimming and hidden coves, while wooded hills rise steeply above medieval towns. Herceg Novi is called the City of Stairs, as it descends to the marina by stone steps. A great package: natural beauty and historic sights plus a modern hotel in a wonderful spot!

Hotel

The 183-room hotel was refurbished in 2018 to offer coastal style and facilities including free WiFi. There's a smart pool deck, and you can swim from the jetty or shingle beach. The rooftop bar is one of 3, and the restaurant provides a comprehensive All-inclusive plan. There is a spa/fitness facility at extra charge, and low-key activities.

Your room

Set in buildings on the slope above the pool, all rooms are light and bright, simply but comfortably furnished with a double bed, TV, hair dryer and balcony; safe and minibar at extra charge. Prices are based on garden/mountain views, with sea views at a supplement.

Where & what

Flights are into Dubrovnik in neighbouring Croatia with an easy transfer. Visit local towns by boat, admire superyachts in Porto Montenegro and spend a day in historic Kotor. There are watersports too. Evenings are spent at the hotel, or discovering the bars of Herceg Novi's old town, a 6kms taxi ride around the bay.

This holiday was a great hit in 2019: with only four dates available, don't miss out this year!
