Holiday

Tiny Paros is a dream for those who love sand between their toes, lazy days and laid-back evenings. Our hotel is right on Chrissi Akti – Golden Beach – and is a relaxing retreat with a handful of beach bars and tavernas nearby. This is a real Greek idyll.

Hotel

This lovely hotel's style is 'barefoot chic' with a bar, restaurant, tennis court, fitness room and small spa. Both the main hotel and Villa Aeolos have a pool and pathways lead to the sea.

Dinner on 3 nights is taken at the hotel or one of the nearby beach restaurants. On other evenings, we eat together at our own expense.

Your room

Prices are based on a standard, double garden view room for sole use with air-con, shower and terrace or balcony. Ask us about the range of upgrades available. Rooms are simply furnished yet stylish with attractive use of natural materials.

Where & what

Our package includes flights to/from Mykonos, then hydrofoil transfer to Paros, taking about 90 minutes in total.

The immediate surroundings are very quiet, but optional excursions include boat trips to neighbouring islands like Mykonos and Santorini or a bus ride to Noussa, the 'capital'. Nightlife? The hotel bar is the most popular choice!

Extending your holiday with a few nights on Santorini is an easy option. See online or ask us for details.
