Holiday

This is a wonderful choice for a relaxing week in one of the island's smaller resorts. The golden sweep of Camp de Mar is picture-postcard pretty, with the sands just a few steps away from the front door of this excellent adults-only hotel. Beach or pool? Read or chat? It's up to you.

Hotel

This quietly sophisticated hotel could not be closer to the sandy beach and offers 101 rooms. All are light and bright, with some quirky features in public areas. There is a pool deck, bar, restaurant, beauty centre and gym. We eat dinner 'in' 3 nights a week, with reservations at a local restaurant on 2 further nights.

Your room

Air-conditioned rooms are stylish with extra touches like a Nespresso machine, robe and slippers. Our standard rooms each have a balcony set diagonally to allow a sideways glimpse of the sea. Upgrades to Full Sea View, and to rooms that open onto an exclusive Chill Out Terrace are also available.

Where & what

Camp de Mar is between Andratx and Paguera, with sophisticated Palma half an hour away on the bus for shopping and sightseeing. This is a laid-back resort but there is plenty to do. There is a golf course behind the hotel, and we can suggest activities from water-parks to sailing trips.
