Easy to reach via road and rail, yet tucked away in leafy Berkshire, this resort-style hotel has seen some memorable Friendship Travel events! The public areas offer plenty of space, with a sociable bar and comfy seating, plus an open fire, some quiet corners for easy conversations, and the Cromwell Suite for our exclusive private dinner and disco.

The hotel enjoys an attractive setting, with acres of grounds to wander around, and the golf course. The excellent Spa is always popular (book ahead if you want a treatment), or just enjoy the indoor pool area.

The comfortable rooms are well-equipped, with a double bed and smart bathroom. Upgrading to an executive room gives you a view of the golf course, and a mini-fridge with fresh milk and mineral water.

ANNIVERSARY BALL

Celebrate the end of Friendship Travel's 20th season with Colum and the team at our Black Tie Birthday Ball in November.

Our 1 night package includes a 4-course dinner with half bottle of wine, followed by a disco and a late night in the bar... plus the full English breakfast on Sunday morning, and access to the spa's poolside lounge facilities

This Birthday Ball will be a glittering affair: a real chance to dress up, so black tie or smart suit please for gentleman, while ladies may sparkle as much as they wish!

If you live locally, you're very welcome to attend the dinner – ball only but why not stay over?

Everyone who books the one-night package has a chance to WIN OUR BIRTHDAY RAFFLE - with a 2019 Houseparty holiday as the STAR PRIZE!

EASTER WEEKEND

Arrive at the hotel in plenty of time to get your party clothes on for our Friday night dinner in the Cromwell Suite. Though this is a chance to get glammed up, Black Tie is not required on the Easter break. After dinner, dance the night away to your favourite songs from the 80s to the present day.

After breakfast on Saturday the day is free to do as you please: your Host has plenty of ideas for fun things to do, from local walks to 10-pin bowling. And of course there's the attractive golf course, and the opportunity to pamper yourself in the Spa. (We recommend advance booking for golf and treatments: ask our office about this.)

Saturday evening's dinner is a relaxed 3-course meal in the main restaurant. Afterwards, there's time to chat with new friends, or enjoy a nightcap in the bar.

Easter Sunday brunch is a leisurely affair to set you up for the day. Our Easter Egg hunt in and around the hotel is a bit of fun for those with a sweet tooth! There's a pleasant country walk which takes in both the River Lambourn and the ruins of Donnington Castle. The Spa's lovely pool area will be open for you to enjoy. Our final dinner is a sociable 3-course meal with wine.

This 3-night weekend ends after breakfast on Bank Holiday Monday morning.
