Marrakech – City Sights or Mountain Walks

DELLAROSA HOTEL SUITES & SPA ★★★★★

TATFI DE L'ATLAS ★★★★★ PLUS

4 & 5 NIGHTS

We love Marrakech, and we are delighted to offer a choice of breaks to this exotic city.

4 NIGHT CITY BREAK

Marrakech offers a host of experiences: our British Host* has lived here for years, and in addition to our included half-day tour will suggest memorable experiences like Jemaa El Fna at night, or how to haggle in the Medina. Beautiful sights range from the Bahia Palace and Koutoubia Mosque to the Jardin Majorelle.

The Dellarosa Hotel is 20 minutes' walk from the old town, with 78 rooms. It offers contemporary Moroccan styling and good facilities: free WiFi, bar, restaurant, roof terrace and spa. The courtyard boasts a swimming pool, and you might try a hammam and massage (extra charge). This B&B break includes 2 dinners at the hotel, leaving us free to discover other restaurants on the other nights.

5 NIGHTS WALKING & SIGHTSEEING

This 2-centre break starts with 2 nights in Marrakech (see above) where we include B&B and 1 dinner.

On Day 3 we transfer you to the Atlas Mountains (approx 90 minutes) where you are welcomed by our Local Hosts at the 8-room Tatfi de l'Atlas. This little gem has only 8 rooms: you'll find warm hospitality for our 3 nights here, lovely views and organic food. Rooms are simple but ensuite; the main building contains the dining room and lounge and there's a pool. All meals are provided during your stay here.

You need to be fit for the walks led by a local on two days, with a break for picnic lunches. Please bring walking boots, layers and waterproofs for this refreshing break!
