

Alpe d'Huez Exclusive Houseparty

Chalet Maya was our first very Ski Houseparty base and is undergoing refurbishment ahead of this winter. It is great value, with ski lessons INCLUDED in our package.

Have you enjoyed one of our Learn to Ski weeks? Maybe you love our summer Houseparties and have been waiting for a snowy equivalent? Perhaps you love the white stuff but don't want to ski?

This exclusive Ski Houseparty is in a popular resort, in a traditional chalet that offers a real home-from-home experience for up to 8 Friendship Travel guests. This is a great choice for Beginners as we now include ski lessons on six mornings in the holiday price, with the afternoons free to put new skills into practice.

Alpe D'Huez is a superb resort with skiing at 1860m, and 250kms of pistes to offer something for every level of skill. Named 'European Resort of the Year' in 2015, skiers will find easy green runs, blue routes close to the resort and what's said to be the longest ski run in the world: the Sarenne.

As well as lessons for all abilities, and ski runs of every colour, there are plenty of other winter sport activities: Nordic skiing, winter walks, sledging, skidoos, an ice rink, an adventure trail, outdoor and indoor pools, a spa and even ice caves for the adventurous!

Your Host can get you organised with lift pass, ski school and equipment you may need to hire, and is a mine of information about the best spot for lunch, or the quieter pistes for afternoon skiing. Your Host is carefully chosen to combine the skills that you would expect of a Friendship Travel representative,

along with their ski skills. As Chalet Maya is small, your Host sleeps nearby, but is at your disposal on 6 days of the week.

Choice of flights

As this is an exclusive Houseparty we can offer flexibility on flights, with up to 5 options from regional airports as well as Gatwick. Ask us for details.
