St Christoph, Austria

CHALET HOTEL ST CHRISTOPH ****

The jewel in Austria's snowy crown is the Arlberg ski region, which has miles of tree-lined pistes and snow-sure open bowls. The traditional village of St Christoph is set above St Anton at 1800m for high-altitude skiing and a good snow record.

Our hotel, the St Christoph, enjoys a ski-in, ski-out location, with the Maiensee T-bar lift right outside and the St Christophbahn quad chairlift 2 minutes' walk away to whisk you up into the St Anton side of the ski area. You may also tap into the bus service (it stops 50m from the hotel) to Lech and Zürs to ski the 'white ring' circuit.

The Chalet Hotel offers genuine four-star quality and has excellent facilities.

Do book early to secure your ideal date and room.
