Holiday

The beautiful 'Blue Lagoon' of Oludeniz attracts many visitors to this busy resort, but our Houseparty is based in a tranquil spot, a short *dolmus* (bus) ride from the beach. The hotel is a little gem with a big fan club, and no wonder. Oz and Baz have been welcoming solo travellers for years and while the 3-star rating reflects the hotel's modest facilities, guests often award the Forever 4-stars and above.

To sum up, this is a welcoming and supportive Houseparty with a long season including peak school holiday dates. Book early!

Hotel

19 rooms is a great size for a Houseparty making it feel like a private villa holiday. There's a generous pool, shaded dining area, table-tennis, free WiFi and pretty gardens with self-standing hammocks.

Each week we include Turkish buffet breakfasts, plus 4 evening meals. Drinks are not included, but the bar has a good choice and serves snacks and ice-creams, which makes it popular at lunchtimes with guests spending the day by the pool. In the evenings, your Host can show you local bars and restaurants, but many guests are content with relaxing evenings at the Forever.

Your room

All the rooms at the Forever Hotel have been renovated in recent years to provide simple but comfortable accommodation with a king-sized bed as standard, and a modern shower room. A hair dryer and additional pool/beach towels are provided. Air-conditioning and a safe are both available at extra charge. Our prices are based on ground floor rooms with no terrace: rooms on 1st and 2nd floors with a balcony carry a modest supplement, as do 3rd floor rooms with access to the roof terrace.

Where & what

The hotel is less than 5kms/10mins by bus from Oludeniz and the Blue Lagoon, which has a sandy beach, while the bars of Hisaronu are a 15 minute walk away. The 'ghost village' of Kayakoy and the resort of Fethiye are sights worth seeing. Terrific optional activities around Oludeniz include a Turkish bath and massage, a guided jeep safari, a visit to ancient Tlos and the Saklikent Gorge, paragliding, boat trips along the coast or a night out in Fethiye.

With the Lycian Way almost passing the front door, this is also a great base for walking. See page 25 for Spring 2022 Walking Weeks.

"The hotel was exactly as described, I felt like a member of their family on day one." Steven
