Hotel

Gentle guided walks in a magical location! This old coaching inn welcomes our small walking groups on a regular basis. It's the ideal spot, with the New Forest on the doorstep. As well as the bar and restaurant, there's a small indoor pool.

Your room

In this rambling building, there's no such thing as a standard room! They vary in size and aspect, from cosy rooms in the eaves to a garden annexe. All have tea & coffee tray, hairdryer, iron/board, TV and shower.

Where & what

The hotel is close to great sites: the New Forest Heritage Centre in Lyndhurst, the National Motor Museum at Beaulieu, photogenic Buckler's Hard on the river and Southampton's SeaCity museum 12 miles away.

Itinerary

Friday: Check-in from 3pm and get your bearings, perhaps enjoying a swim in the hotel's indoor pool. Meet your local Host (an experienced walks leader) to hear all about the forest and the routes, followed by 3-course dinner with wine.

Saturday: After breakfast, gather for today's 7-mile walk in the forest, including a mid-day pause at a pub where you can buy your own lunch. Dinner with wine tonight is part of our package.

Sunday: Breakfast, then drop your bag at reception when you check out and meet your Host for today's shorter walk, returning to the hotel late morning. You may like to have lunch at the hotel, at your own expense, before heading home.
