

Ski & Snowboard Holidays

Skiing and snowboarding are so exhilarating. Whether you're a seasoned skier or a total beginner, we can help you, not only improve your ski skills, but have the most fun in the company of other single travellers.

Solo Skiing

Choose a Friendship Travel ski holiday for a winning combination of great skiing or snowboarding and a lot of laughs! We welcome all single skiers, which can also include people whose partners or friends don't ski, and who are looking for a sociable week on the slopes with other snow bunnies.

Accommodation Types

We feature one luxury Radisson hotel in Norway which is a larger hotel. It has a mix of guests including a number of solo skiers. In France we have two fully catered chalets with morning lessons included for everyone.
