GULET CRUISE • FRIENDSHIP TRAVEL HOUSEPARTY ***

7 & 14 NIGHTS

Holiday & area Swimming, sea-kayaking and exploring... snoozing on deck while the sea whispers under the keel. The days fall into an idyllic pattern; breakfast on deck; a secluded bay for a swim before lunch; an afternoon cruise before dropping anchor for the evening. Our exclusive charters are floating Houseparties so all guests are single travellers.

Hotel & room Each boat (22-25 metres with diesel engine) typically has 8 cabins for sole use. There are sunbeds, shaded sitting/dining areas, a compact saloon and bar area, snorkels and canoe/kayak on board. Each compact cabin has 2 port holes and its own tiny ensuite wet room. A relaxing holiday for those who love the sea.

Painting Holidays

In Summer 2022 we started offering painting holidays in Portugal and these have proved to be a huge success. Due to this we have now expanded and offer 8 artist-led painting holidays in Europe for Summer 2024. These holidays are suitable for all levels of artists with the majority being watercolours, except Roger's who leads an oil-based painting holiday in Portugal. If you are a complete beginner and wish to be amongst all beginners, please join us in Ballycastle in June 2024.
