Kenya Safari & Beach

HOTELS & LODGES ✸✸✸✸

8 NIGHTS

Holiday & area Experience the very best of Kenya, combining an unforgettable African safari with time to relax beside the Indian Ocean. Travel first class by train from Nairobi, enjoying views across the Kenyan savannah as you journey towards Tsavo West National Park.

Enjoy four days of game drives and wildlife walks, a night game drive, safari lodges and a tented camp, with incredible opportunities to see Kenya's wildlife. Finish your adventure with three relaxing all-inclusive nights at the Papillon Lagoon Reef Hotel on Diani Beach.

There is no tour quite like this one for both spotting African wildlife and for enjoying the east coast beaches of the Indian Ocean. This small group tour packs a lot of travelling into a short trip but is hugely rewarding and great value. Expect to see lots of animals and wildlife in this amazing country.

Hotel & room All rooms are for sole occupancy and are ensuite. Enjoy luxurious tents at Voyager Ziami where you will see turtles, hippos and crocodiles, before staying at Ngutuni Lodge to see lions, elephants, buffaloes and giraffes, then on to Papillon Lagoon Reef Hotel on the beach and Eka Hotel in Nairobi.

We also offer this holiday as part of our 'Reading Holidays'. Please ask for further details.
