ROYAL CLIPPER CRUISE

7 & 16 NIGHTS

The magnificent **Royal Clipper** is the world's largest fully-rigged five-mast sailing ship to have been built since the beginning of this century. The 439ft SV ship offers the ultimate sea-going experience, combining the grandeur and tradition of cruising under sail with all the creature comforts of the finest modern ship – yet with no formality.

The ship accommodates just 228 guests and with a ratio of two passengers to one crew member you will no doubt be treated like royalty! The winter sailings are from Barbados on 28 November 2026 to 20 March 2027, with two itineraries on offer, Windward or Grenadine Islands. Talk to us about the Ocean crossings which take place on 27 March 2027 (Barbados to Lisbon) or 5 November 2027 for a 16-night duration (Malta to Barbados).

Karen and Colum from Friendship Travel UK office were on board the Royal Clipper in September 2026. Ask them any questions you have.
